Family of Schools

August 30, 2011

As the LMU Family of Schools looks forward to another school year, we are pleased to announce some new additions to our family. Building upon LMU's Jesuit and Marymount traditions and our strong relationships with the Catholic K-12 schools in our community, we welcome into the LMU Family of Schools:

- St. Anastasia Catholic School
- St. Bernard High School
- St. Jerome School
- Visitation Catholic Elementary School

The LMU Family of Schools will continue to promote collaboration and dialogue for the benefit of students in all partnership schools, which are: Cowan Avenue Elementary, Kentwood Elementary, Loyola Village Elementary, Orville Wright Middle, Paseo Del Rey Natural Science Magnet, Westchester Enriched Sciences Magnets and Westport Heights Elementary.

Our sustained support of each school in the strategic areas of service, professional development, partnerships and research will continue to grow. We look forward to working with all our partners and stakeholders in the coming year.

Shane P. Martin, Ph.D.
Dean and Professor, LMU School of Education
