

Mathematics, Multilingual/English Learners and Formative Assessment Institute

Loyola Marymount University
Center for Equity for
English Learners

ONLINE PROFESSIONAL DEVELOPMENT

Open to teachers, coaches, and administrators of ML/ ELs in preK-12th grade

WHAT IS THE INSTITUTE?

Through an integrated lens of equity and mathematics practices, participants will explore formative assessment processes that support both mathematical proficiency and language growth, ensuring all students thrive.

Participants will engage in multiple opportunities to explore the CA Mathematics Framework and apply Multilingual/English Learner focused formative assessment processes aligned with the CA ELD Standards.

6 Alternating Live Sessions & Self-Paced Modules

REGISTER NOW!

Registration Fee: \$620

Registration Deadline: October 16

**EARN 3 SEMESTER UNITS
OF UPPER-DIVISION CEUs*
& a Digital Badge**

IMPORTANT NOTES:

- Prior to course enrollment, participants should check district requirements for continuing education unit (CEU) acceptance and salary point equivalency.
- CEUs are graduate-level Continuing Education Units or credits for salary advancement and promotion qualifications. These units apply toward the completion of the Mathematics, ML/EL and Formative Assessment Institute but do not apply towards a degree at Loyola Marymount University.
- Visit our Website to read our policies about course date changes, cancellations, and refunds.
- Training date is subject to change/cancellation based on registration numbers

*A CEEL Digital Badge is a verified, shareable credential issued through Credly that showcases professional learning achievements, competencies, and experiences from CEEL-certified programs. [Learn on CEEL's Website](#)
