SUMMER TALK

Virtual Chinese Immersion Camp

An Interactive online program for students of Chinese Immersion Camp. An online program for students of Mandarin math, stream class, personalized learning.

WHY CHOOSE MMX SUMMER TALK?

The goal of this summer camp is to provide a learning experience that is both fun and educational. It is designed to help students improve their Chinese language skills and cultural knowledge in a supportive and engaging environment. The camp is led by experienced instructors who use a variety of teaching methods to ensure that students are engaged and challenged. Students will have opportunities to practice their Chinese language skills through a variety of activities, including small group discussions, interactive lessons, and independent projects. The camp will also provide opportunities for students to explore Chinese culture through lectures and cultural activities. By participating in this summer camp, students will not only improve their Chinese language skills, but also gain a deeper understanding of Chinese culture and the world through which they can connect with people across the world.
